

A Resolution
Of the Synod of South Atlantic
At its Fifteenth Stated Meeting
At Agnes Scott College
June 8, 2007

Whereas the PC(U.S.A.) works for Peace of God for all the people of the world; and

Whereas the Synod of South Atlantic deprecates terrorism in any form promoting political or religious purposes; and

Whereas, the Synod of South Atlantic supports the collective fight against terrorism by the free nations of the world;

Now therefore be it resolved that the Synod of South Atlantic calls all of its constituent congregations to pray for the quick resolution of the war against terror; to pray for the safety of our troops and the troops of the free world who are fighting the war on terrorism; and we beg God to change the hearts of the terrorists to peaceful paths, and to bring them to the table of peace to air their grievances and to stop the violence.
