RECLAIMING VITALITY:

“7 Biblical Marks of Vital Small Churches”

Keynote: Kathryn Threadgill

PC(USA) Associate for Vital Congregations

Place: Epworth-by-the-Sea
St. Simons Island, GA

Churches are in a crucial time of awakening and smaller congregations – where the majority of Presbyterians worship – are on the front line of the Holy Spirit’s powerful work of revitalization. Small church leaders have the flexibility and creative power to show the way to the Church Jesus is calling us to be. The Rev. Dr. Kathryn Threadgill has been working with congregations across the country to discern the faithful actions that increase the vitality of even our smallest churches – and it turns out the answer is right there in Scripture. Join us as we explore with Kathryn the seven Biblical marks that can help small congregations live into faithful discipleship and compelling mission.

The **Association of Smaller Congregations** (ASC) was organized in 1987 to serve congregations having fewer than 200 members. The group seeks to lift up these smaller congregations, offering tools and support, promoting their unique strengths and needs, and providing opportunities for fellowship, education, creative thinking and sharing.
